Cumulative Index of Contents
EKISTICS, January - December 1992, vol. 59

Articles are listed and cross-indexed under author, country and (up to four) "keywords" indicating their major contents, as well as a letter code. A plus sign (+) following the author's initial(s) indicates that the article has more than one author.

Keyword letter code
D = diagrams
I = illustrations
M = maps
R = references
S = statistical tables and/or graphs
X = simulation and mathematical models, etc.
